Breathing Room

*ROOM TO SPREAD OUT AND
PRIORITIZE PERSONAL SPACE*

The future of the workplace may include physical distancing as a part of the “new normal”. With approximately **30% more square footage at the same price point as the West Loop / Fulton Market**, tenants at 1308 North Elston can afford to provide ample personal space, prioritizing safety—ensuring that their employees feel comfortable in a safe work environment.

- + New space, never previously occupied
- + Opportunity for self-contained space with dedicated bathrooms
- + Controlled traffic to building via doorman / security desk
- + Boutique building with less employee traffic coming in and out
- + Mid-rise building allows for taking stairs, eliminating the need for crowded elevators
- + Brand new high efficiency HVAC system allows for improved ventilation, high air quality, and increased capacity for fresh air circulation
- + Abundant outdoor space - private building courtyard

**1308 North Elston offers approximately
30% more square footage at the same price
point as the West Loop / Fulton Market.**

Exceptional Amenities & Outdoor Space

1308 North Elston features a private landscaped courtyard with a unique where tenants can safely socialize, work, dine, and relax.

The building is located on Elston Avenue, directly across the street from the iconic Morton Salt building. The main entrance is on the south side of the building at Elston & Potomac.

A unique entry sequence leads visitors to spectacular 32' glass walled lobby. The building's walled and landscaped courtyard features an annex building occupied by 1308, a restaurant featuring vegan / vegetarian friendly new American cuisine providing a private outdoor oasis.

1308

A SpeakEatery located in the new Salt District touting a dining experience with a fresh twist on new American cuisine.

Site Plan

32' glass-walled lobby features polished concrete floors, a one-of-a-kind reclaimed wood reception station, live green wall and a new elevator shaft clad in oxidized corten steel.

Building Finishes

△ The oxidized corten steel cladding on the new elevator shaft and entryway is a nod to the corrugated metal roof of the adjacent Morton Salt building.

△ Floor-to-ceiling glass wall (above) and decorative living wall (right) greet visitors in the building's lobby.
