ONE OF THE 12 COOLEST NEIGHBORHOODS IN THE WORLD

CULTURE THRIVES IN PILSEN

Named one of the 12 coolest neighborhoods in the WORLD by Forbes, culture thrives in Pilsen.

Bold murals line the walls of the CTA 18th Street Pink Line 'L' station and the viaducts along 16th Street, on the fronts of homes, along railway overpasses, and wrapped around train platforms. The artful vibe continues within storefront galleries and studios, as well as in the colorful collections of the National Museum of Mexican Art, a highly-regarded cultural institution.

Blended and full of diversity, Pilsen features offbeat vintage shops, galleries, breweries and independent coffee houses alongside world-class restaurants serving everything from authentic Mexican cuisine to high-end restaurants run by award-winning chefs.
